

# Purchasing Online As A New Customer

Last Modified on Thursday, 27-Aug-2020 16:25:04 BST

## *How many product licenses can I buy?*

You can buy single licenses for as many users as you like, however if you are buying more than 10 single licenses, you could benefit from extra cost savings so please fill in our [license enquiry contact form](#).

## *How can I pay?*

You can pay using credit / debit card or by purchase order (by simply uploading a purchase order in PDF or Word format). Purchase orders will be verified by our finance team.

## *What details will I need to pay online?*

You will need to provide us with your billing address as well as your credit / debit card details or an approved purchase order in either MS Word or PDF format.

Please note that these details are for billing purpose and products can be used by a different end user for each license.

## *Get started*

You can get started by visiting [my.texthelp.com](https://my.texthelp.com) and logging in, using either your Google, Microsoft, Facebook, Twitter or LinkedIn account. This allows us to tailor your experience and also allows a faster payment process for you.
