

Installing Additional Voices

Last Modified on Thursday, 03-Aug-2023 19:51:12 BST

We have a number of additional voices that you can download and install for Read&Write for Windows. To do this:-

1. Go to our **Essentials Website** and enter your **Product Code**.
2. Once logged in, go to **Read&Write for Windows > Additional Voices**

Read&Write for Windows Additional voices

You can download additional voices to use with your Read&Write For Windows software via the links below.

Additional Voices Are Not Compatible With USB OR Windows Store App Versions!!

Voice List

[Brazilian Portuguese Lucina](#)

[French Canadian Female Chantal](#)

[French Canadian Male Nicholas](#)

[French Female Audrey](#)

[French Male Thomas](#)

[German Anna](#)

[German Yannick](#)

[Italian Alice](#)

[Irish Female Moira](#)

[Indian English Female Veena](#)

[Polish Ewa](#)

[Russian Melina](#)

[Scottish Female Fiona](#)

3. Download and install the voice you want to add to Read&Write.

4. When the voice has been installed, open Read&Write.

5. Click on the **Settings** button, then **Show more settings...**

If you're using the Read&Write for Work toolbar, click on the Settings button and then Settings.

6. In Read&Write settings, go to **Speech** and select the voice you installed from the **Voice** drop down list.

Read&Write will now use the new voice you installed.
