

How to Access the WriQ Dashboard

Last Modified on Monday, 25-Jul-2022 10:34:23 BST

The **WriQ dashboard** can provide valuable feedback about student progress.

To access the WriQ dashboard, you can click on the **three horizontal dots** on the upper right hand side of the **WriQ tab** when in a Google Doc.

From that drop down, clicking **Dashboard** will bring you to the WriQ dashboard.

A direct link to the dashboard can be found by [clicking here](#).

Please note that only premium users will have access to all the features in the WriQ dashboard.
