

Using Read&Write for Microsoft Edge With The New Version Of Microsoft Edge

Last Modified on Friday, 26-Feb-2021 14:31:07 GMT

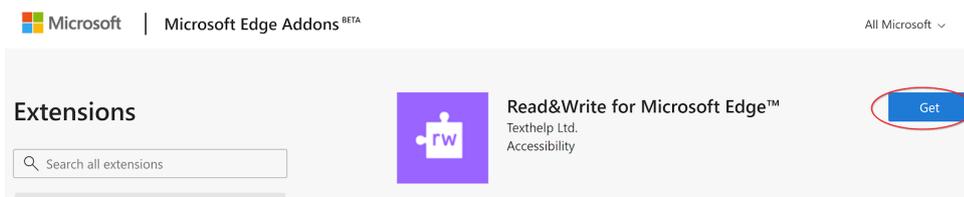

To use Read&Write for Microsoft Edge with the new version of Microsoft Edge you will need an O365 subscription login.

Microsoft Edge can be installed from the [Microsoft website](#).

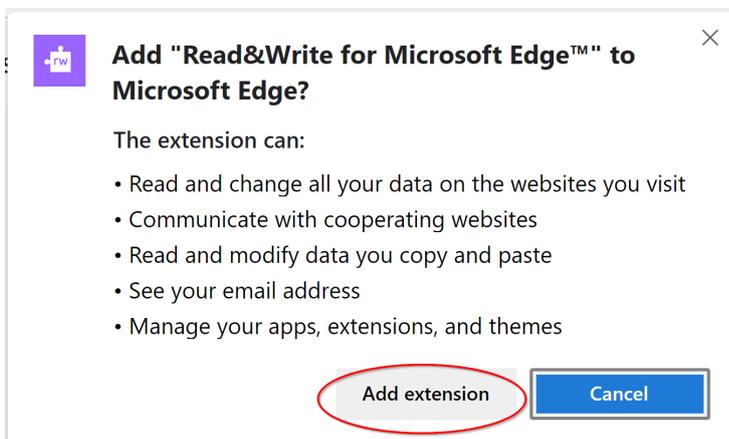

Now that you have downloaded the new Microsoft Edge you can add the Read&Write for Microsoft Edge extension from [Microsoft Edge Addons Beta](#).

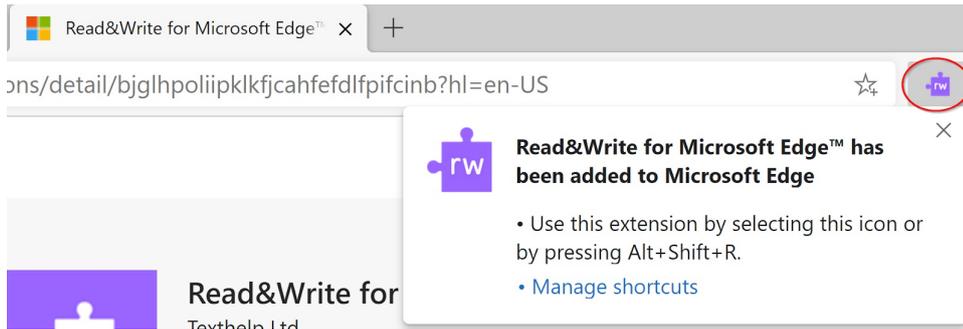

1. Click on **Get**.

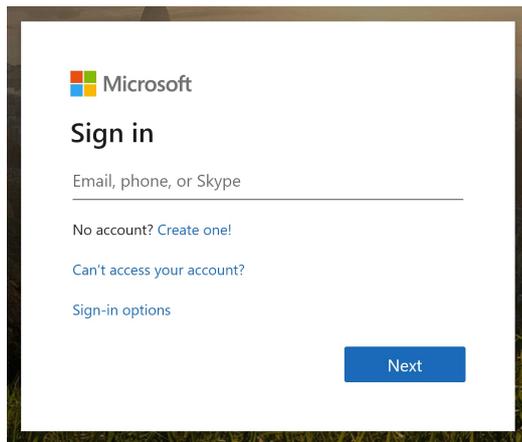

2. Click **Add extension**.

3. You will now see the Read&Write for Microsoft Edge icon on your toolbar.

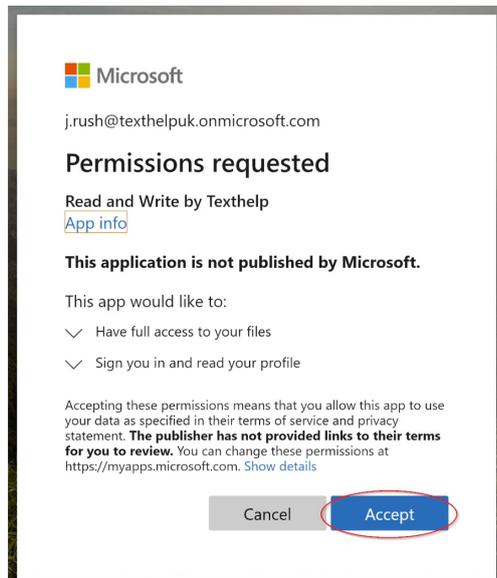

4. Click on this icon and you will be prompted to sign in.

5. Enter your O365 account details - email address and password.

6. You will then be prompted to grant permissions, click **Accept**.

7. Now if you click on the Read&Write for Microsoft Edge icon while in Word Online you will notice the icon as a small tab just under the Edge toolbar.
