Keyboard Shortcuts Not Working

Last Modified on Wednesday, 12-Jun-2024 15:00:30 BST

Symptoms

- Nothing happens when you press the keyboard shortcut for Play and Stop

- Nothing happens when you try to complete a word using prediction using the F-keys

Solution

For these shortcuts to work you need to have 'Use all F1, F2, etc. keys as standard function keys' checked in System Preferences > Keyboard & Mouse:
