

How do I view student data in uPAR?

Last Modified on Friday, 03-Feb-2023 16:04:19 GMT

Steps to view students data using all students*

1. Login to: universalpar.com
2. Select "View Reports".
3. Select "All students".
4. Click on the student who's report you would like to view.

Steps to view students data that took a protocol:**

1. Login to: universalpar.com
2. Select "View reports".
3. Select "Protocols".
4. Select the protocol you would like to view.

Steps to viewing OU data:***

1. Login to: universalpar.com
2. Select "View reports".
3. Select "Organizational Units".
4. Click on the OU you would like to view.

Steps to viewing Google Classroom data:***

1. Login to: universalpar.com
2. Select "View reports".
3. Select "Google Classroom classes".
4. Select a classroom.
5. Click on the arrow to the right of the classroom
6. Click on a student to select them to view their data.

*Student data is now stored in the students user account.

**The students data is stored in the users account, student data is removed after 30 days if the if the user account is no longer associated with a uPAR license.

**Only licenses that have created protocols with the old version of uPAR will see the protocol option.

***Seated accounts/licenses do not have the option to add students by Google OU/Classroom.
