Under All Students what are my options when I go to Print or create a CSV of the Summary Report?

Last Modified on Thursday, 06-Nov-2025 18:52:09 GMT

uPAR all Student Summary export options.

When on the Reports summary page and you click on the export or download button these are the options you have.

Print:

Summary and Student Recommendations

Summary and All Individual Student Data

CSV Download:

Summary and All Student Assessment Results

Under CSV download Admins also have the option:
Comprehensive download with all step progress
