How do I search for a specific students in Legacy uPAR protocol results ?

Last Modified on Friday, 03-Feb-2023 16:25:03 GMT

1. Log into: universalpar.com

2. Click on you name in the upper right hand corner.

3. Click on "Use legacy version".

4. Click on "Manage protocols".

5. In the search bar type in the students name/email that was used for the protocol(s)

6. Click on the students name when you see it in the list.

*Only the Educator that created the protocol or an admin/analyst on the uPAR license can see the students protocol results.
