

Locating a students Legacy protocol results if they logged in by email not by protocol name.

Last Modified on Friday, 03-Feb-2023 16:28:07 GMT

When adding a student to a Legacy protocol by email. The student needs to Click on Sign in with protocol name at: startpar.com/legacy/login and enter in the protocol name and password.

If the student logs in by email they will be taken to New uPAR protocol at Startpar.com*. You can view that students results by:**

1. Navigate to: universalpar.com
2. Login with your Educator/Admin account.
3. Click on view reports.
4. Select all students.
5. Navigate to your student on the list.

* When an account is created by email at startpar.com the students results will be found in the New uPAR reports section.

**If a student is logged into another Don Johnston tool when they go to startpar.com. They will be auto logged into the new version of uPAR.
