How to Switch Between Modes:

To switch between the toolbar views, Open Settings (3 dots on the upper right corner)> General

• Horizontal Mode:

Horizontal mode will position the toolbar horizontally by aligning its icons, buttons, or controls in a single row, usually located at the top of the screen.

• Writing Mode (Suggested for users who are most experienced with Co:Writer):

In writing mode, You will not see a toolbar, Just the Co:Writer Prediction Icon following your Cursor. Once you click on it, The prediction box will pop up.

After click:
