The New uPAR now has a recheck option.

The New uPAR has a recheck option

After a student has completed a protocol in the new uPAR the next time they login after selecting their grade level they will see an option to Choose your recheck type.

Click on Recheck.

Select your Recheck type.

Quick Check : Check's if the student made progress with uPAR. (It is what we have now)

Do Over: Will bring you through all of uPAR over again.

Click on OK
