Download Equatio Extension:

1. Go to the Chrome Web Store to add the Equatio Extension linked [here](#)
 2. Pin the Equatio extension:
 - After installing, click on the Extensions icon (shaped like a puzzle piece) next to the Chrome address bar to view all your extensions.
 - Locate Equatio in the list. Next to it, you'll see a "pin" icon. Click this icon to pin the Equatio extension to your Chrome toolbar for quick access.
 3. Sign In with Your School Email:
 - Click on the Equatio icon now visible on your Chrome toolbar.
 - *Recommended: First time use, open in Google Docs
 - When prompted, sign in using your school email address to activate the extension's full capabilities.
