How do I get my Gantt Chart to indicate today's date?

Last Modified on Tuesday, 16-Dec-2025 14:57:19 GMT

You can have Today's Date indicated on your Gantt Chart by doing the following:

Step 1: Go to the Ribbon and select the Gantt Tools tab

Step 2: Select "Show Today's Date" in the View section of the Gantt Tools Chart:

This will add a red line to your Gantt Chart to indicate the current day in your Project:
